

Annual Report – Year 2010

Spirit of America's mission is to help Americans serving abroad assist local people in need. We meet needs identified by American military and civilian personnel for items that will help local people.

In 2010 Spirit of America spent nearly \$4,000,000 on program goods in Afghanistan, Iraq and Africa. Spirit of America provided the following:

Tons of medical equipment and supplies, first aid kits, midwife kits, crutches, wheelchairs and hygiene kits.

Security equipment, including: eyewear, boots, flashlights, tool kits, fleece pullovers and caps.

Solar-powered radios to open Afghan villages to ideas, information and music.

To support Afghan farmers and their families: agricultural supplies, solar lanterns, solar panel water pump systems, lead ropes for livestock and mosquito nets.

To support the local families in need: fleece blankets, clothing, shoes, winter coats and boots, tons of backpacks filled with school supplies, musical instruments, sports equipment (including soccer balls, volley balls and nets), playground equipment, toys and more.
