During 2015, the Organization received one donor-restricted endowment fund which is held in an investment account. Correlating net assets are classified as permanently restricted. Investment income and gains from these investments are available to be appropriated for general operational use. The donor has requested the nominal value of the gift be retained in perpetuity to support the Organization's activities. The Organization's policy is to appropriate earnings from this endowment to support its program purpose activities.

Part X, Line 2:

The Organization evaluates uncertainty in income tax positions based on a more-likely-than-not recognition standard. If that threshold is met, the tax position is then measured at the largest amount that is greater than 50% likely of being realized upon ultimate settlement. As of December 31, 2024 and 2023, there are no accruals for uncertain tax positions. If applicable, the Organization records interest and penalties as a component of income tax expense. Tax years from 2021 through the current year remain open for examination by tax authorities.

Form 990, Part I, Line 1, Description of Organization Mission:

Spirit of America's mission is to engage citizens in preserving the promise of a free and better life. We are a privately funded nonprofit that unites the American people with our troops and diplomats in common cause: to defend freedom, strengthen security, and save and improve lives. We work with US troops and diplomats to identify where America's help is needed most, then deliver assistance with flexibility and speed. We harness the power of the American people and private philanthropy to fill the gaps between what is needed and what government can do.

Form 990, Part III, Line 1, Description of Organization Mission:

We are a privately funded nonprofit that unites the American people with our troops and diplomats in common cause: to defend freedom, strengthen security, and save and improve lives. We harness the power of the American people and private philanthropy to fill the gaps between what is needed and what government can do.

Form 990, Part III, Line 4a, Program Service Accomplishments:
(Continued on Schedule O)

In 2024 we prioritized assistance that met the highest needs and priorities of US troops and diplomats, align with top national security objectives, and help save and improve the most lives.

1. Eastern Europe: To save lives and help Ukraine defend its freedom against Russian aggression, Spirit of America provided nonlethal assistance that enables Ukrainian soldiers to identify threats, provide protection to the frontlines, and help them stay alive. Our assistance included investing in a high-impact program that helps the Ukrainian military safeguard billions of dollars in equipment and protect tens of thousands of troops and civilian lives; computers, mobile phones, and other communications equipment to support a secure communications network that identifies threats, saves soldiers' lives, and spares attacks on Ukrainian people and critical infrastructure; and high-priority nonlethal needs for elite units, including surveillance drones, drone jammers, tactical gear, and advanced medical equipment. We also supported an educational program to teach entrepreneurial skills to Ukrainian youth and provided funding to help them implement projects to rebuild their war-affected communities.

2. Middle East and Central Asia: To promote regional stability, strengthen security, and create opportunity for youth and families in vulnerable communities, Spirit of America provided assistance to partners and programs across the Middle East and Central Asia. In Iraqi Kurdistan, we strengthened the Peshmerga's capabilities by providing surveillance tools to detect ISIS and proxy groups operating in remote areas; by expanding a Peshmerga English language program to improve tactical interoperability with US Special Operations Forces; and by

supporting a new, centralized medical force readiness system to strengthen Peshmerga health services and reporting. In Syria, we provided life saving mine removal equipment to expand landmine removal operations. We provided blankets and food assistance to Syrian families who were displaced by conflict. Through educational programs and community engagement, we empowered thousands of Afghan refugees and students to build a better future in Tajikistan, Kazakhstan, Kyrgyzstan, and Pakistan.

3. Asia-Pacific: To protect frontlines of democracy and deter aggression across the Asia-Pacific region, Spirit of America worked with US troops and diplomats to provide nonlethal assistance that strengthened relationships and built the capacity of host nation governmental and nongovernmental entities, including host nation armed forces. In Taiwan, we helped citizens take action to preserve their way of life in the face of threats to their security and democracy. We partnered with the Taiwanese government and civil society to train thousands of citizens in crisis preparedness skills to build Taiwan's resilience to any crisis. We also partnered with local nonprofits to educate Taiwanese people on the skills they need to keep their families safe in the event of a crisis, as well as to educate people on ways to address the spread of false information. We also provided nonlethal assistance to partners of the US military in the Philippines.

4. Africa: Spirit of America helped US troops strengthen partnerships to protect communities under threat in West Africa, where terrorist groups have destabilized the Sahel region and now threaten the democratic countries of the coast. We provided humanitarian and economic assistance to vulnerable communities, building trust, cooperation, and security between local communities and those who serve them. In Benin, we provided medical supplies to thousands of families at temporary medical field clinics in rural communities; improved schools and access to clean water; treated the livestock of tribal groups who are particularly vulnerable to recruitment by extremist groups; and helped the Beninese military educate local people on terrorist threats and where they can go for help. In East Africa, we supported an agriculture project in Comoros to strengthen the island nation's economic resilience.
