Part V, line 4:
During 2015, the Organization received one donor-restricted endowment fund which is held in an investment account. Correlating net assets are classified as permanently restricted. Investment income and gains from these investments are available to be appropriated for general operational use. The donor has requested the nominal value of the gift be retained in perpetuity to support the Organization's activities. The Organization's policy is to appropriate earnings from this endowment to support its program purpose activities.

Part X, Line 2:
The Organization evaluates uncertainty in income tax positions based on a more-likely-than-not recognition standard. If that threshold is met, the tax position is then measured at the largest amount that is greater than 50% likely of being realized upon ultimate settlement. As of December 31, 2025 and 2024, there are no accruals for uncertain tax positions. If applicable, the Organization records interest and penalties as a component of income tax expense. Tax years from 2022 through the current year remain open for examination by tax authorities.

Form 990, Part I, Line 1, Description of Organization Mission:

Spirit of America is a privately-funded citizen service organization founded in response to the attacks of 9/11. Our team works alongside US troops and diplomats around the world. We provide private philanthropic assistance to support their missions and help them meet needs, solve problems, and help local people and partners. We fill the gaps between what is needed and what government can do. We provide the speed, flexibility, and entrepreneurial impact that government cannot. Our assistance saves and improves lives, strengthens security, and preserves the promise of a free and better life. We represent Americans and America's values as a force for good.

Form 990, Part III, Line 1, Description of Organization Mission:

Spirit of America's mission is to engage citizens in preserving the promise of a free and better life. We have pioneered a new model for how America defends and advances our values and national security. In the Spirit of America model, private philanthropy and citizens work in partnership with America's troops and diplomats - providing the speed, flexibility, and entrepreneurial impact that government cannot. We harness the power of the American people and private philanthropy to fill the gaps between what is needed and what government can do.

Form 990, Part III, Line 4a, Program Service Accomplishments:

In 2025 we prioritized assistance to save and improve lives in support of the highest priorities of U.S. troops and diplomats.

1. Eastern Europe: To save lives and help Ukraine defend its freedom and security against Russian aggression, Spirit of America provided nonlethal assistance that helps Ukrainian soldiers stay alive. Our assistance included investing in a high-impact program that helps the Ukrainian
military safeguard billions of dollars in equipment and protect thousands of troops and civilian lives. We supported a program that protects critical aviation assets; and delivered high-priority nonlethal assistance for elite units, including surveillance drones, computers, and life-saving unmanned ground vehicles. We also supported an educational program that teaches entrepreneurial skills to Ukrainian youth and provided funding to help the students implement projects to rebuild their war-affected communities.

2. Middle East and Central Asia: To promote regional stability, strengthen security, and create opportunity for youth and families in vulnerable communities, Spirit of America provided assistance to partners and programs across the Middle East and Central Asia. In Lebanon, we supported the Lebanese Armed Forces' efforts to improve security in southern Lebanon by providing critical infrastructure including prefabricated housing, generators, and vehicle repair kits alongside humanitarian and medical aid to build trust with local communities. In Iraqi Kurdistan, we strengthened the Peshmerga's

capabilities by expanding a Peshmerga English language program to improve tactical interoperability with US Special Operations Forces. We also empowered youth in Iraqi Kurdistan through entrepreneurship training and funding to launch projects that turned their bold ideas into action. In Syria, we provided winter jackets, blankets, hygiene kits, and food to Syrian families who were displaced by conflict around Aleppo. Through educational programs and community engagement, we empowered thousands of Afghan refugees and students to build a better future in Tajikistan, Kazakhstan, Kyrgyzstan, and Pakistan.

3. Asia-Pacific: To protect the frontlines of democracy and deter aggression across the Asia-Pacific region, Spirit of America worked with U.S. troops and diplomats to provide nonlethal assistance that strengthened relationships and built the capacity of host nation governmental and nongovernmental entities, including host nation armed forces. In Taiwan, we helped citizens take action to preserve their way of life in the face of threats to their security and democracy. We partnered with the Taiwanese government and civil society to train thousands of citizens in crisis preparedness skills to build Taiwan's resilience to any crisis. In the Philippines, we strengthened security in the West Philippines Sea by establishing information fusion centers and providing essential tools to the Armed Forces of the Philippines to improve real-time decision-making and operational effectiveness at sea, advancing the country's ability to protect its sovereign waters. We also launched "Road to 250," an initiative to share America's story to inspire youth around the world,. This began with a group of Filipino content creators who documented a two-week trip across the U.S. and share it with millions of followers in the Philippines.

4. Africa: Spirit of America helped U.S. troops strengthen partnerships to protect communities under threat in West Africa, where terrorist groups have destabilized the Sahel region and threaten the democratic countries of the coast. In Benin, we brought community members and security forces together to develop civil-military committees that foster dialogue, build trust, and enable civilians to safely share actionable intelligence to the Beninese army that has helped prevent attacks and disrupt insurgent networks. We also provided humanitarian assistance to vulnerable communities, including medical outreach and infrastructure repairs, to increase trust and confidence in the government, reducing space for extremist influence. In northern Africa, we supported U.S. partner forces in Libya with individual first aid kits. And in East Africa, we helped provide essential medical care in Tanzania, helping U.S. and local security forces strengthen trust with the local population.
